

ABOUT US

The PG College of Sancheti Institute for Orthopaedics & Rehabilitation was raised in 1974 as a single specialty orthopaedics post graduate teaching college affiliated to the erstwhile Savitribai Phule Pune University, by Medical Council of India, New Delhi. In 2006 it migrated to Maharashtra University of Health Sciences, Nashik.

The college, over a period of time has made appreciable progress and developments. Initially started with 3 M.S.Orthopaedics and 5 Diploma in Orthopaedics, today the intake is 20 M.S.Orthopedics seats. The College is part of SIOR where state of art infrastructure/facility exist and with highly experienced faculty makes it an excellent environment conducive to high standard of teaching learning experience for students.
